A Smarter Way to Deliver Document Management

Solution Benefits

- ✓ Significantly lower upfront costs with little to no capital outlay - monthly subscription easy to plan and budget
- ✓ Rapid deployment saves you time and money
- ✓ Optimized for multiple locations, remote office and home office users - accessible any time any where
- ✓ Allows companies to focus on their core competencies
- ✓ Easily scales up or down with your business

No Infrastructure Overhead:

- ✓ No infrastructure to purchase or maintain
- ✓ No need to recruit, train and retain Document Management system administrators
- ✓ Maintain state of the art system without having to make reoccurring investments in Hardware and Software
- ✓ Solution hosted in a SAS70 Type II datacenter with 7x24 monitoring

The Intellidox SaaS (Software as a Service) - Document Management Hosted Solutions are configured to meet your business needs.

The Intellidox SaaS Hosted Solutions offer all the features and flexibility of an on premises Intellidox Documentum solution without the startup costs and ongoing systems management. Host any Intellidox Solution today.

Call today to schedule a free Demonstration and Trial!
